

# Last Dinosaurs - Italo Disco

tom:

Intro: Gm F Dm

[Primeira Parte]

Gm  
And when I think  
F Dm  
Of everything that we did together  
Gm  
Somewhere in Verona  
F Dm  
The sun set over our time together  
Gm  
Thinking it over  
F Dm  
So young and sentimental  
Gm  
Our hearts so gentle  
F Dm  
Such a shame we had to drift apart  
F Dm  
Oh, but I can't help just wonder  
Gm  
Could we really last forever?  
I watch the sunset and  
Bb Gm F Dm  
Something's telling me that I gotta get up and chase it

( Gm F Dm )

[Segunda Parte]

Gm

Day of transit  
F Dm  
The gentle weight of your head on my shoulder  
Gm  
I wake you at the last stop  
F Dm  
Your sleepy eyes in the gloomy weather  
Gm  
Raining in Florence  
F Dm  
Your cold hands and your wet hair  
Gm  
While we're cursing  
F Dm  
Cheap umbrellas trying to get home  
[Ponte]  
F Am7  
Now we're written in history  
Gm7 C  
We close the book we opened up  
F Am7  
There will always be a place in my heart  
Gm7 C F  
But baby can't you see we were meant to fall apart  
Am7  
We gave it up  
Gm7 C F  
Who would have thought love wasn't enough  
Am7 Gm7  
In the end we'd say  
C  
"Bye my love, guess I'll see you someday"  
[Final] Gm F Dm

## Acordes
