Last Lover - How To Fly

Tom: C

```
      C                           E
If there is a reason for us to live
Am            G
Why wonder around the streets?
                 C         G
And all this is much larger
      F               C
Than we can understand
      C                   E
The time is gone, and also the past
Am            G
Nothing changes or comes back
              C         G
But the past does not matter
        F     Fm           C
Because all I want is to know

C     C Am      G
Tell me how to fly
              F               C
I've been waiting for so long
C     C Am      G
Tell me how to fly
                F     Fm        C
Because it is flying I can go home

( C   G )

C                           E
I've been through many things in life
Am                  G
Not lacking in stumbling walk
                 C           G
And all the tears left behind
       F               C
Also watered the ground

C                           E
```

```
But after a long, long time lost
Am            G
I see I don't need a boss

          C            G           F       Fm    C
And I have a lot to live, much to feel, I know I can
C     C Am      G
Tell me how to fly
