

Last Lover - I'm Alive

Tom: D

In the ways of life, I've tried to be what I could not be
 I've lost my fights so many times that almost quit
 Always thought I was doing the best and the right
 Did not know what was wrong

I play on the bad side?

When I met you, was not knowing where to go
 You were the light at the end of the tunnel that I was in
 Everything in my life became wonderful and nice
 That's the reason I ask you again and please

Take me higher than the sky that is above me
 Take me faster than my eyes can see
 Make me breathe so deep that both my lungs explode
 And if on the street people think: "He's crazy", I don't know
 I'm alive

When I met you, was not knowing where to go
 You were the light at the end of the tunnel that I was in
 Everything in my life became wonderful and nice
 That's the reason I ask you again and please

Take me higher than the sky that is above me
 Take me faster than my eyes can see
 Make me breathe so deep that both my lungs explode
 And if on the street people think: "He's crazy", I don't know
 I'm alive

[Solo]

Take me higher than the sky that is above me
 Take me faster than my eyes can see
 Make me breathe so deep that both my lungs explode
 And if on the street people think: "He's crazy"

Take me higher than the sky that is above me
 Take me faster than my eyes can see
 Make me breathe so deep that both my lungs explode
 And if on the street people think: "He's crazy", I don't know
 I'm alive

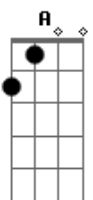

I'm alive, I'm alive
 Baby, I'm alive (yeah)
