

Last Lover - Maybe Someday

Tom: C
Intro: C G F B C G B
C G F B C G

I wake-up in the morning, already have someone to telling me what to do
Another day is beginning, but you better start praying because it is the truth
Time passes, nothing changes, the days are always the same
Is that even what I need?
Coming back home unhappy! On tv? A bunch of trash
Is this the life I want for me?

Tell me why the guitar is out of my plans?
Tell me why God could not give me a chance?
I don't want to hear the old talk of right and wrong
?Cause I know this talk, too much
Living this day
And I don't have another chance
If you really think that you can predict what will come
You will get rich, that is? maybe someday

- (C G F)
- (C G F)
- (C G F)
- (C G F)

That is maybe someday
That is maybe someday

I'm back to hard work, these days seems even worse
It must be so with you
No money every day, are in the debts that I've paid
I need to forward my debut
I'll do what my heart says, trying every single day
Keep my faith and just believe
Six strings on my back, a cry of freedom stuck in throat
I know... my dreams cannot wait
Tell me why the guitar is out of my plans?
Tell me why God could not give me a chance?
I don't want to hear the old talk of right and wrong
?Cause I know this talk, too much
Living this day
And I don't have another chance
If you really think that you can predict what will come
You will get rich, that is? maybe someday
Someday, yeah
Maybe someday
Alright
Hey, that is maybe some? Hey that is maybe some
Hey that is maybe someday

Acordes

Ukulele chord diagrams for the following chords: D, C, G, F, B, Bb, A, and Am. Each diagram shows the fretboard with dots indicating finger positions. The diagrams are arranged in a row, each with its name above it and a copyright notice below it.
