

# Laufey - Dreamer

tom: D

Let me be a dreamer  
 Let me float  
 I can see the whole world  
 From my own little cloud  
 Up by the milky way  
 I'll stay here forever and a day

You can't pin me down  
 I fear all solid ground  
 I'd rather be alone at tea  
 Love when nobody's makin' me, oh  
 Boys just make me cry  
 Believe me, I have tried  
 I've made my rounds  
 Kissed some mouths  
 Trust me, I don't want a single soul around, oh

I'm giving up  
 I'm throwing in my hat  
 I can't take another lifeless little chat  
 I'm moving up into a cloud, into my fantasy  
 And no boy's gonna be so smart as to

Try and pierce my porcelain heart  
 No boy's going to kill the dreamer in me

 Some might call me mad  
 D7M  
 The worst this town has had  
 G7M Gm(maj7)  
 I fell right down the rabbit hole  
 Em7 A7  
 Legends say I fell so fast I lost my soul  
 D7M  
 Oh, my melancholic days (melhancholic days)  
 D7M  
 Are few and far away  
 G7M Gm(maj7)  
 I've had enough, called it off  
 Em7 A7  
 As far as I'm concerned, this witch is numb to love, oh

D7M  
 I'm giving up  
 I'm throwing in my hat  
 D7M  
 I can't take another lifeless little chat
