

# Laufey - Love Flew Away

tom:

C

Love flew away with  
C7  
No room to land and  
F  
It made no mistake  
Fm  
With no legs to stand on  
Em E  
It grew its wings right in place  
F D F  
We said goodbye one last time  
Fm C  
As love flew away

C  
Looked in my eyes  
C7 F  
We only blinked when we started to cry  
Fm  
Both barely dry  
Em E F  
When we finally realized that  
D  
We should break the stare  
F Fm  
And try not to care as  
C  
Love flew away

F Fm  
Maybe I'll find you in some other life  
Em A7  
We won't be heartbroken half of the time  
F Fm  
The ocean between us won't be so grand  
Em A7  
Tired after one more one night stand  
F  
But we really couldn't stay  
Fm  
So we watched love fly away

C  
Holding your hand  
C7  
Still feels electric  
F  
I'd kiss you but I can't  
Fm  
We're all out of breath  
Em E  
So we whisper among us  
F D  
For the last time today  
F Fm Em A7  
As our love flew away

F  
We said goodbye  
Fm C  
As love flew away
