

Laufey - Lovesick

tom:

F A
 Floorboards creaking in my home
 A7 Bb7M
 Deathly silence when alone
 Bb F
 Oh, I wish that you were here right now
 F A
 So, unlike me, somehow I
 A7 Bb7M
 Fell in love in just three nights
 Bb F
 Those November days still haunting me

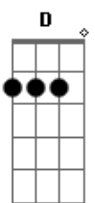

F
 When the gold rays fell on your skin
 A A7
 And my hair got caught in the wind
 Bb7M Bb F
 The choir sang a melancholic hymn

(Ah-ah, ah-ah, ah-ah, ah-ah)

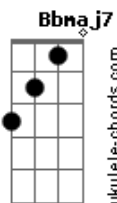

F
 In the morning, you would be gone
 A A7
 I'd be mourning, tryin' to hold on to
 Bm7 Am
 The memory of your lips
 A7 D
 God, I'm so lovesick
 Gm7 C7 F
 What have you done to me?

F A
 Let me in your atmosphere
 A7 Bb7M
 Inching closer, but I fear
 Bb F
 That I'll love so much, you'll slip away
