 Db B Db E

Oh the night is my world
 City lights painted girls
 In the day nothing matters
 It's the night time that matters

In the night no control
 Through the wall something breaking
 Wearing white as you're walking
 Down the street of my soul

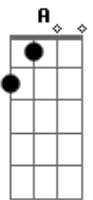

You take my self, you take my self control
 You've got me living only for the night
 Before the morning comes a story's told
 You take my self, you take my self control

Another night another day goes by
 I never stop myself to wonder why
 You help me to forget to play my role
 You take my self, you take my self control

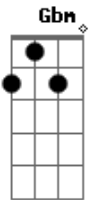

Refrain

I, I live among the creatures of the night
 I haven't got the will to try and fight
 Against a new tomorrow

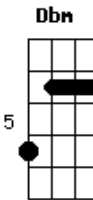

Acordes

So I guess I'll just believe it like tomorrow never comes

I said night
 I'm living in the forest of a dream
 I know the night is not as it would seem
 I must believe in something
 So I'll make myself believe it, this night will never go

Oh, oh, oh
 Oh, oh, oh!

Oh the night is my world
 City lights painted girls
 In the day nothing matters
 It's the night time that matters

I, I live among the creatures of the night
 I haven't got the will to try and fight
 Against a new tomorrow
 So I guess I'll just believe it like tomorrow never knows

I said night
 I'm living in the forest of a dream
 I know the night is not as it would seem
 I must believe in something
 So I'll make myself believe it, this night will never go

Oh, oh, oh
 Oh, oh, oh!
 You take my self, you take my self control
