

Laura Cândida - With All My Love

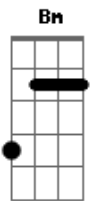

tom:
 I was there to help you
 With anything you needed
 For everything you mean to me
 I knew all your wounds
 I could feel your pain inside my heart
 Under my skin
 My veins were full of blood
 Burning out for you
 I wonder if I was a fool
 ?Cause I really thought
 I could help you pass through all of that
 With all my love
 But that was up to you
 Where to go, what to choose
 For your happiness
 And I'll always be here wishing you
 All the best, I confess
 I have loved you
 Hoping to see your smile

Even if it's in someone else's arms
 Hoping to see your smile
 Even if it's in someone else's arms
 Uuuhh
 Uuuhh
 Ooohh
 Ooohh
 Ooohh
 Ooohh
 Huumm
 But that was up to you
 Where to go, what to choose
 For your happiness
 And I'll always be here wishing you
 All the best, I confess
 I have loved you
 Hoping to see your smile
 Even if it's in someone else's arms
 I'm hoping to see your smile
 Even if it's, even if it's
 Even if it's in someone else's arms
