

# Laura Marling - New Romantic

Tom: G  
Intro:

G G  
I know I said I loved you but I'm thinking I was wrong,  
Bm Em  
I'm the first to admit that I'm still pretty young,  
Am D Am  
and I never meant to hurt you when I wrote you ten love songs.  
G G  
but a guy that I could never get 'cause his girlfriend was  
pretty fit  
Bm Em  
and everyone who knew her loved her so.  
Am D  
and I made you leave her for me and now I'm feeling pretty  
mean,  
Bm Em  
Am D  
but my mind has fucked me over more times than any man could  
ever know.

Em Am  
Maybe I should give up, give in,  
D G  
give up trying to be thin,  
Em Am  
give up and turn into my mother,  
D G  
god knows I love her.

G Bm Am D  
and I'm sorry to which ever man should meet my sorry state,  
G Bm Am D  
watch my steady lonesome gait and beware.  
G Bm  
I would never love a man 'cause love and pain go hand in hand  
Am D  
and I can't do it again.

G G  
So we stayed up late one night to try and get our problems  
right,  
Bm Em  
but I couldn't get into his head just what was going through  
my mind,

Am  
and I think he knew where I was going  
D  
he put Ryan Adams on  
G  
I think he thinks it makes me weak  
G  
it only ever makes me strong.  
Bm Em  
I've got this friend who sounds just like him,  
Am D  
G  
now he's the man I'd leave you for, the man that I just adore  
like you.  
G G  
The same man, he turns to me he said I've got to tell you how  
i feel,  
Bm Em  
if god could make the perfect girl for me it would be you  
Am D  
and my god told me not tell about how much do you love your  
fella?  
G Em  
I don't know more everyday  
C D G  
not in this new romantic way.

F Am D F Am D  
I'll always be your first love, you'll always be my first  
love.

G Bm Am D  
And I'm sorry to which ever man should meet my sorry state  
G Bm Am D  
watch my steady lonesome gait and beware,

G Bm  
I will never love a man 'cause I could never hurt a man in  
this way.

G Bm  
Am  
I will never love a man cause I could never hurt a man, not in  
this new  
D G  
romantic way.
