I know I said I loved you but I'm thinking I was wrong,

pretty fit

but my mind has fucked me over more times than any man could
ever know.

Em Am
Maybe I should give up, give in,
D G
give up trying to be thin,
Em Am
give up and turn into my mother,
D G
god knows I love her.

G Bm Am D
and I'm sorry to which ever man should meet my sorry state,
G Bm Am D
watch my steady lonesome gait and beware.
G Bm
I would never love a man 'cause love and pain go hand in hand
Am D
and I can't do it again.

G G
So we stayed up late one night to try and get our problems
right,
Bm Em
but I couldn't get into his head just what was going through
my mind,

Am
and I think he knew where I was going
D
he put Ryan Adams on
G
I think he thinks it makes me weak
G
it only ever makes me strong.
Bm Em
I've got this friend who sounds just like him,
Am D
G
now he's the man I'd leave you for, the man that I just adore
like you.
G G
The same man, he turns to me he said I've got to tell you how
i feel,
Bm Em
if god could make the perfect girl for me it would be you
Am D
and my god told me not tell about how much do you love your
fella?
G Em
I don't know more everyday
C D G
not in this new romantic way.

F Am D F Am D
I'll always be your first love, you'll always be my first
love.

G Bm Am D
And I'm sorry to which ever man should meet my sorry state
G Bm Am D
watch my steady lonesome gait and beware,

G Bm
I will never love a man 'cause I could never hurt a man in
this way.

Am
I will never love a man cause I could never hurt a man, not in
this new

romantic way.
