

# Laura Marling - Old Stone

Tom: D

(com acordes na forma de Capotraste na 2ª casa C )  
Intro: Am Am Am E

Verse:  
Am Am  
He chased me through the rain,  
Am E  
'Honey, I'm going your way.'  
I don't think so.

You can chase me through the rain,  
Scream my name, a childish game,  
But I love to be young.

Pre-Chorus:  
Am F  
And honey I was never gonna change,  
And honey you are never gonna change,  
Am F E  
But you love, don't you love it that way.

Chorus:  
Am F  
Old stone,  
Am F  
Ten thousand years and you're still on your own.  
Am  
Don't you love,  
F E

But you love it that way.

Middle eight:  
Bm E  
And if you swear that you're alright,  
Am F Am  
I'm not gonna try and change your mind.  
Am F E  
Cause the same night I dream that I lose you I'll fall in love  
Bm E  
And oh honey don't let me walk away from this  
Am F  
If I'm trying to fuck up my own life,  
Am F  
Then until I figure out why,  
Am F  
I think it's best you keep your distance  
F  
Lest I fall in love.

Chorus:  
Old stone,  
Ten thousands years and you're still on your own.  
But you love,  
Don't you love it that way.

Verse:  
He chased me through the rain.  
'Honey I'm going your way.'  
I don't think so.  
You can chase me through the rain,  
Scream my name, a childish game,  
But I love to be young
