

# Laura Shighihara - Everything's Alright

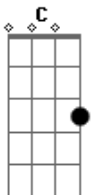

Tom: C

C Em  
Short steps, deep breath  
Am F G  
Everything is alright  
C Em  
Chin up, I can't  
Am F G  
Step into the spotlight  
F Em  
She said, "I'm sad,"  
C F G  
Somehow without any words  
F Em  
I just stood there  
C F G  
Searching for an answer  
  
F G  
When this world is no more  
Em Am  
The moon is all we'll see  
F Fm C C  
I'll ask you to fly away with me  
F G  
Until the stars all fall down  
Em  
They empty from the sky  
A7  
But I don't mind  
Fm G C

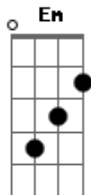

If you're with me, then everything's alright

C Em  
Why do my words  
Am F G  
Always lose their meaning?  
C Em  
What I feel, what I say  
Am F G  
There's such a rift between them  
F Em  
He said, "I can't  
C F G  
Really seem to read you."  
F Em  
I just stood there  
C F G  
Never know what I should do  
  
F G  
When this world is no more  
Em Am  
The moon is all we'll see  
F Fm C C  
I'll ask you to fly away with me  
F G  
Until the stars all fall down  
Em  
They empty from the sky  
A7  
But I don't mind  
Fm G C  
If you're with me, then everything's alright  
Fm G C  
If you're with me, then everything's alright
