

# Lauren Alexandria - Flood My Soul

Tom: Gb

My soul it, it needs You

When I can't feel You

There's still this ache to

Just be with You

Ooh, my heart and soul cry out

For You, my God

Ooh, my heart and soul cry out

For You, my God

So flood my soul

Hold nothing back now

Let Your waves crash over me

Oh, flood my soul

I am ready

From the rooftops hear me shout

Lord my soul is crying out

Flood my soul, ooh

Flood my soul, ooh

And I was made for

Just one reason

To love and be loved

And every season of my soul

It yearns and even faints

For You, my God

Ooh, my soul it yearns and faints

For You, My God

So flood my soul

Hold nothing back now

Let Your waves crash over me

Oh, flood my soul

I am ready

From the rooftops hear me shout

Lord my soul is crying out

Flood my soul, ooh

Flood my soul, ooh

I was made for lovin' You

Was made for lovin' You

Was made for lovin' You

I was made for lovin' You

Was made for lovin' You

Was made for lovin' You

To love You and be loved by You

To love You and be loved by You

To love You and be loved by You

So flood my soul

Hold nothing back now

Let Your waves crash over me

Oh, flood my soul

I am ready

From the rooftops hear me shout

Lord my soul is crying out

Flood my soul, ooh

Flood my soul, ooh
