When we met for the first time  
My eyes met your eyes  
In just a look  
I wished you were mine  
Forever?

I almost lost you  
I was crying?  
Fainted

And I was trying?  
To save you

I try, I swear  
I don't want to hurt you  
But I'm bad  
And I love you

Don't be afraid  
Never  
I will protect you  
We will be together  
Forever?

Forgive me  
If I hurt you, baby  
It is my nature  
I want you and maybe  
You can blame me?

Do you remember that feeling?  
When we kiss  
You make me feel

And you will never miss  
Me

Em
