When we met for the first time  
 My eyes met your eyes  
 In just a look  
 I wished you were mine  
 Forever?  
 I almost lost you  
 I was crying?  
 Fainted  
 And I was trying?  
 To save you  
 I try, I swear  
 I don't want to hurt you  
 But I'm bad  
 And I love you  
 (Refrão)  
 Don't be afraid  
 Never  
 I will protect you  
 We will be together  
 Forever?  
 Forgive me  
 If I hurt you, baby  
 It is my nature  
 I want you and maybe  
 You can blame me?  
 Do you remember that feeling?  
 When we kiss

You make me feel  
 And you will never miss  
 Me  
 Promise me  
 If I am bad  
 Don't give up  
 Don't be sad  
 And if one day  
 I leave you alone  
 Wait for me  
 I will come back home  
 Don't be afraid  
 Never  
 I will protect you  
 We will be together  
 Forever?  
 Forgive me  
 If I hurt you, baby  
 It is my nature  
 I want you and maybe  
 You can blame me?  
 If I leave  
 I don't know how  
 I will look for you  
 You are my family now  
 And our kids  
 I tried with you  
 Sorry if I am not a good mother  
 I love all of you
