

Lauren Cimorelli - Atom Bomb

tom:

Intro: Bb F G

C Dm
We were an atom bomb

[Primeira Parte]

Bb F C
Eight days, eight nights spent trying to sort through the aftermath

Bb F C Dm
It's quiet, too quiet, this silence sounds like a thunderclap

[Segunda Parte]

Bb F
And all I wanted was somebody to trust

C Dm
But all you wanted was somebody to want you

Bb F C Dm
And this toxic love we're chemicals waiting to react

[Refrão]

Bb F
And then I went and set you off with goodbye

C Dm
And now we're just a mushroom cloud in the sky

Bb F
And there's no silver lining, only just surviving

C Dm
And through the smoke all I could see were your eyes

Bb F
And boy, I never burned so bad from the fire

C Dm
And they could see the ashes falling from miles

Bb F
And now there's just no ending, only all this wreckage

C Dm
We weren't just wrong, we were an atom bomb

[Terceira Parte]

Bb F
What's yours, what's mine

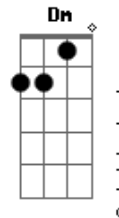

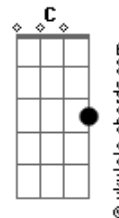

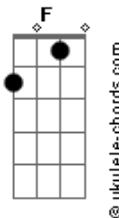

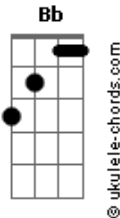

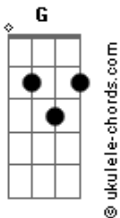

C Dm
Keep trying to pick up what's left of me (Pick of what's left of me)

Bb F C Dm
Breathe slow, let go but that smoke just keeps suffocating me (Keeps suffocating me)

[Quarta Parte]

Bb F

Acordes

Maybe you were already on fire

C Dm
And maybe when you touched me so was I

Bb F C Dm
I should have known we would explode 'cause I saw the signs

[Refrão]

Bb F
And then I went and set you off with goodbye

C Dm
And now we're just a mushroom cloud in the sky

Bb F
And there's no silver lining, only just surviving

C Dm
And through the smoke all I could see were your eyes

Bb F
And boy, I never burned so bad from the fire

C Dm
And they could see the ashes falling from miles

Bb F
And now there's just no ending, only all this wreckage

C Dm
We weren't just wrong, we were an atom bomb

[Ponte]

Bb F C Dm C
Just watching all those embers fall like rain coming down

Bb F C Dm C
Strange not to talk, not write, not call you when you're not around

Bb F
Your love so dangerous

C Dm C
Your touch like a spark on my gasoline heart

[Refrão]

Bb F
And then I went and set you off with goodbye

C Dm
And now we're just a mushroom cloud in the sky

Bb F
And there's no silver lining, only just surviving

C Dm
And through the smoke all I could see were your eyes

Bb F
And boy, I never burned so bad from the fire

C Dm
And they could see the ashes falling from miles

Bb F
And now there's just no ending, only all this wreckage

C Dm
We weren't just wrong, we were an atom bomb
