

# Lauren Daigle - Inevitable

tom:  
 Bb  
 I can feel when my mind  
 Starts to creep and to doubt  
 On the days when the strength  
 In my heart's giving out  
 There's a light but it hides  
 From me deep in the cloud  
 There's a voice that I need  
 But I don't hear a sound  
 Cm Eb Bb F  
 Ever running to what I can't see  
 Fighting out of all my unbelief  
 Father, even in my song will be

I know You will always carry me  
 It's inevitable  
 Set Your promise  
 To play on repeat in my head  
 When You meet my anxiety, put it to death  
 Ever running to what I can't see  
 Fighting out of all my unbelief  
 Father, even in my song will be  
 I know You will always carry me  
 It's inevitable  
 It's inevitable  
 It's inevitable  
 It's inevitable
