

Lauren Daigle - Salvation Mountain

tom:
 You take my rags into riches
 My mess into marvelous
 My broken into beautiful
 Like only You can

[Segunda Parte]

You take my fear into faith
 My hopelessness to happiness
 My loneliness into living
 It's where You're taking me

[Refrão 1]

I'm on my way
 To salvation mountain, oh yeah
 I'm here to be changed
 I'm here to be free
 I'm on my way
 To salvation mountain
 Won't You come and meet me there
 Once again

[Terceira Parte]

Now my tears are a testimony
 My sadness is a song of joy
 My struggle turns to victory
 It's Your faithfulness to me

[Refrão]

I'm on my way, yeah
 To salvation mountain

I'm here to be changed
 I'm here to be free
 I'm on my way
 Yes, I am
 To salvation mountain
 Won't You come and meet me there
 Once again

[Ponte]

The past is behind me
 The future is in front of me
 I throw my worries away
 'Cause I know You're still writing my story
 No matter the distance
 I know You go before me
 You take me by the hand
 Remind me who I am
 You're here to show me the way

[Refrão]

I'm on my way, oh-oh
 To salvation mountain
 I'm here to be changed
 I'm here to be free
 I'm on my way
 To salvation mountain
 Won't You come and meet me there
 Won't You come and meet me there
 Won't You come and meet me there
 Once again
