I'm here to be changed

I'm here to be free

I'm on my way

Yes, I am

To salvation mountain

Won't You come and meet me there

Once again

[Ponte]

The past is behind me

The future is in front of me

I throw my worries away

'Cause I know You're still writing my story

No matter the distance

I know You go before me

You take me by the hand

Remind me who I am

You're here to show me the way

[Refrão]

I'm on my way, oh-oh

To salvation mountain

I'm here to be changed

I'm here to be free

I'm on my way

To salvation mountain

Won't You come and meet me there

Won't You come and meet me there

Won't You come and meet me there

Once again
