

# Lauren Daigle - Tremble

tom:

**F**

I will tremble at no other name  
**C**  
 My heart's surrendered to no other reign  
**Bb**  
 I will bow at no other throne  
**Bbm**  
 Rest my heart at no other home

**F**  
 Let these hands lift no other crown  
**C**  
 Let these knees fall on no other ground  
**Bb**  
 Draw these eyes from the gold that won't shine  
**Bbm**  
 You turn this life from water to wine

**F**  
 And i tremble  
**C**  
 I tremble, lord  
**Eb**  
 In your presence  
**Bb**  
 In your presence

**F**  
 You take my breath with every starry night  
**C**  
 You show your power in down town city lights  
**Bb**  
 You are higher than the tallest of the hills  
**Bbm**  
 Stronger than the walls we try to build

**F**  
 You blind me with the beauty of your face  
**C**  
 Draw me close with your divine embrace  
**Bb**  
 You speak to me with healing in your words  
**Bbm**  
 You fix the things i didn't know were hurt

**F**                      **C**  
 Lord i tremble, i tremble, lord  
**Eb**                      **Bb**  
 In your presence, in your presence

**F**                      **C**  
 Lord i tremble, i tremble, lord  
**Eb**                      **Bb**  
 In your presence, in your presence

**F**                      **Am**                      **Dm**                      **Bb**  
 My lord, my lord, my lord, my lord  
**Bb**                      **Bb**  
 To you alone, to you alone

**F**  
 Be praise

My lord  
**F**                      **Am**  
 Oh, who can take the place of?

My lord  
**Dm**  
 What compares to your love?

My lord  
**Bb**  
 For everything that you've done

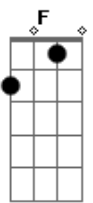

To you alone  
 Be praise

**F**  
 You invented all of time and space  
**C**  
 Called the morning and midnight into place  
**Bb**  
 Made the mountains and tamed the wildest seas  
**Bbm**  
 Still you set your holy eyes on me

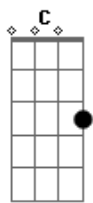

**F**  
 I will always live in wonder of  
**C**  
 The fact that i awaken jealous love  
**Bb**  
 Eternity will almost be enough  
**Bbm**  
 Eternity will almost be enough

**F**                      **C**  
 Lord, i tremble, i tremble  
**Eb**                      **Bb**  
 In your presence, in your presence
