[Verse 1]

A B E Gbm7  
 Oh, it's kinda hard waking up in the morning without you  
 A B  
 When I reach over and realize it's over  
 E Gbm7 Abm7  
 I just  
 A B  
 let the memories wash over me  
 E  
 Through me and out of me  
 Gbm7 E  
 But they're still, on the sheets  
 A  
 And they stay there  
 B E Gbm7 Abm7  
 So I'll lay there with you

[Chorus]

A  
 And even though it didn't work  
 B E Gbm7 E  
 It's always love, always love  
 A  
 And even though we hurt each other  
 B  
 More than once  
 E Gbm7 Abm7  
 It was love, always love  
 A B  
 For all those times we locked eyes  
 E Gbm7 E  
 When I was yours and you were mine  
 A B E Gbm7 E  
 It's always love, always love

[Verse 2]

A B  
 Nobody talks about walking away  
 E Gbm7 E  
 When there's still love  
 A B E Gbm7 Abm7  
 Feeling so far after being so close is a mindfuck  
 A

You helped me grow into me  
 B E  
 So I couldn't help but change  
 Gbm7 E  
 But changing not seeing

Some things that  
 A B  
 I just couldn't change

E Gbm7 Abm7

[Chorus]

A  
 And even though it didn't work  
 B E Gbm7 E  
 It's always love, always love  
 A  
 And even though we hurt each other  
 B  
 More than once  
 E Gbm7 Abm7  
 It was love, always love  
 A B  
 For all those times we locked eyes  
 E Gbm7 E  
 When I was yours and you were mine  
 A B E Gbm7 E  
 It's always love, always love

[Bridge]

Mmm, love

Mmm, love

Mmm

[Chorus]

A  
 And even though it didn't work  
 B E Gbm7 E  
 It's always love, always love  
 S  
 And even though we hurt each other  
 B  
 More than once  
 E Gbm7 Abm7  
 It was love, always love  
 A B  
 For all those times we locked eyes  
 E Gbm7 E  
 When I was yours and you were mine  
 A B E Gbm7 E  
 It's always love, always love
