I just  
A B  
Let the memories wash over me  
E  
Through me and out of me  
Gbm7 E  
But they're still, on the sheets

[Refrão]

A  
And even though it didn't work  
B E Gbm7 E  
It's always love, always love  
A  
And even though we hurt each other  
B  
More than once  
E Gbm7 Abm7  
It was love, always love  
A B  
For all those times we locked eyes  
E Gbm7 E  
When I was yours and you were mine  
A B E Gbm7 E  
It's always love, always love

[Segunda Parte]

A B  
Nobody talks about walking away  
E Gbm7 E  
When there's still love  
A B  
Feeling so far after being so close  
E Gbm7 Abm7  
Is a mindfuck  
A  
You helped me grow into me  
B E  
So I couldn't help but change
