

Lauren Jauregui - Expectations

Tom: E

m [Intro] Am Em B Em

Am Em
I've been there all alone
B Em

Wondering where you have been
Am
Ten past three
Em B Em
No club closes at two

Am Em
I've already been through all those sad scenarios
B Em

And it doesn't change your mind
Am Em
Know it very well that you told me
You'd come home
B Em

And it happened every time

[Refrão]

Am Em
Wish I had no expectations
B Em
I wish that I could get into your head

Am Em
With no confrontation
B

Em
Really wish we could talk about it instead

Am
All these tears that I've cried while I'm
Em
turned to the side
B Em
And you're in the same fucking bed

Am Em
Wish I had no expectations
B Em
But I expect, you expect, we expect

Am Em
I don't need to ply
B Em

I don't need no play by pay
Am Em
All I need from your side

B Em
Is for you to communicate

Am Em
Oh, respect for my time, respect for my space
B Em

Respect for my energy

Am
'Cause I've been waiting here all night
Em

For you to want me
B Em
And you, have you once thought of me?

[Refrão]

Am Em
I wish I had no expectations
B

Em
I really wish I could break through your head

Am Em
With no confrontation
B

Em
Really wish we could talk about it instead

Am
All these tears that I've cried while I'm
Em
turned to the side

B Em
And you're in the same fucking bed

Am Em
Wish I had no expectations
B Em

But I expect, you expect, we expect

(Am Em B Em)
(Am Em B Em)
(Am Em B Em)
(Am Em B Em)

Am Em
I wish I had no expectations
B

Em
I really wish I could break through your head

Am Em
With no confrontation
B

Em
Really wish we could talk about it instead

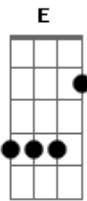

Am
All these tears that I've cried while I'm
Em
turned to the side

B Em
And you're in the same fucking bed

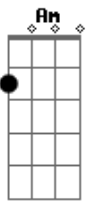

Am Em
Wish I had no expectations
B Em

But I expect, you expect, we expect
