

# Lauren Jauregui - Falling

tom:

Intro: **Bm** **Db7** **Gbm**

Look up from the screen

And look back down to check the clock again

It's about to be too late now

To try to even get up out of bed

I know responsibilities bigger than me

Wait outside my door

And if I wanna keep surviving

Better get up now and tryna earn some more

And I don't know why I always try to hide it

Oh, I can't fight it any more than you can

'Cause I'm only human

And I wanna live without it

But I'm so tired

I can barely stand it

In fact, I can't stand it

So catch me, I'm fallin'

Catch me, I'm fallin' down

Won't you catch me?

I'm fallin' down, again

Pace around in circles

So try to leave my heartache at the door

Gotta think about my future

While the past creeps into everything I know (Oh, ooh)

If I stay wher? I start, but lead with my heart

At least I'll grow (Y?ah)

If I wanna get better

I gotta be better, I know

And I don't know why I always try to hide it

Oh, I can't fight it any more than you can

Because I'm only human (Human)

And I wanna live without it (Without it)

But I'm so tired

I can barely stand it

In fact, I can't stand it

So catch me, I'm fallin'

Catch me, I'm fallin' down

Won't you catch me?

I'm fallin' down, again

Focus on blessings and lessons

Focus on blessings and lessons, yeah

Won't you focus on blessings and lessons?

Focus on blessings and lessons, yeah

Catch me (Catch me), i'm fallin'

Catch me, I'm fallin' down (Down, down)

Won't you catch me?

I'm fallin' down, again

Again and again and again and again and again

Oh, catch me, I'm fallin'

No where to run to, won't you catch me?

I'm fallin' down

Mother, catch me

I'm fallin' down, again

## Acordes
