Am  
Every time I try to, try to

'Cause lately I've been trying to see you C  
A little clearer for the real you  
Em  
Scattered thoughts and twisted feelings  
G  
You left behind

[Pré-Refrão]

Am  
They keep haunting me  
C  
Clouding and drowning me  
Em  
Please, search carefully  
G  
When I open up this time

[Refrão]

Am C Em  
It's what is on inside, inside, inside

[Segunda Parte]

Am  
There's a place, a light to go to  
C  
My own space away from their truth  
Em G  
My truth and only mine can govern me  
Am  
There's been so many voices, bitter thoughts  
C  
But fuck your projections, I'm running  
Through them  
Em G  
Nobody louder or closer to me than me  
Now, than me now

[Pré-Refrão]

Am  
Haunting me
