Tom: **A**
A
Did I offend you?
D
I was only playing games
A
We could start from the top and tear it down again
D
You were appointed the master of control
A
It won't give you self-control, you're only getting older
D
You're only getting older
Bm **D**
Is this the part where you stumble in?
A **Bm**
You're only breaking down again
D
Only fools will let crows win
A
You're only breaking down
You're only breaking down
Bm **D** **A**
Uuuh uuh uh uh uh yeah!
D
Running with the masses, you're only getting fatter and paid
A
D **A**
Souls are what could break, your skin is only walls for some
odd days
Bm **D**
Is this the part where you stumble in?
A **Bm**
You're only breaking down again
D

Only fools will let crows win
A
You're only breaking down
You're only breaking down
Bm **D** **A**
Uuuh uuh uh uh uh yeah!
D
Creeps on the other side, don't let them tell you what to find
D
Keep them where they lie
D
Keep them there
D **A**
Keep them out of mind
Bm **D**
Is this the part where you stumble in?
A **Bm**
You're only breaking down again
D
And only fools would let crows win
A
You're only breaking down
A
You're only breaking down
A
You're only breaking down
A
You're only breaking down
A **Bm**
You're only breaking down
D **A**
Uuuh uuh uh uh uh yeah!
