 (Ooh-oo-hoo-hoo) ^{C Cm G}
 (Ooh-oo-hoo-hoo) ^{C Cm G}

When you'd yell I would stay silent ^{C Cm}
 You never noticed I was quiet ^{G G}
 I was taught that speaking up was talking back ^{C Cm G G}
 Always first to say: I'm sorry ^{C Cm}
 'Cause I wanted you to like me ^{G G}
 And I thought that's what it took to make it last ^{C Cm G G}

It's a lose-lose ^{C Cm}
 That I don't choose ^{G G}
 But you don't always choose the ones you love ^{C Cm G}

I shouldn't have to be the bigger person ^G
 How come I have to break to keep us working? ^{C Cm}
 It's always up to me even though it shouldn't be ^G
 I'll take the blame the way you want me to ^{C Cm}

'Cause that's what I'd do for you ^{C Cm G}

(Ooh-oo-hoo-hoo) ^{C Cm G}
 (Ooh-oo-hoo-hoo) ^{C Cm G}

I was half of this dynamic ^{C Cm}
 I was stable, you were manic ^{G G}
 Without you or with you, comes with a cost ^{C Cm G G}

I got used to the excuses ^{G G}
 And emotional abuses ^{C Cm G G}
 We kept moving the lines we'd never cross

It's a lose-lose ^{C Cm}
 That I don't choose ^{G G}
 But you don't always choose the ones you love ^{C Cm G}

I shouldn't have to be the bigger person ^{G Cm}
 How come I have to break to keep us working? ^{G C}
 It's always up to me even though it shouldn't be ^{Cm G}
 I'll take the blame the way you want me to ^{C Cm}

'Cause that's what I'd do for you

I always think it's over, but it never really is ^{C Cm G}
 'Cause I can't get the closure when you're like this ^{G C}
 Can we switch ^{Cm}

Maybe this time you'll be the bigger person ^{C Cm}
 'Cause I'm getting tired of bearing all your burden ^G
 It should be up to you, but you won't admit the truth ^{C Cm}

Ooh-oo-hoo

I shouldn't have to be the bigger person ^{C Cm}
 How come I have to break to keep us working? ^{G C}
 It's always up to me even though it shouldn't be ^{Cm G}
 I'll take the blame the way you want me to ^{C Cm}

'Cause that's what I'd do for you
