**D**  
 Intro: duced me to your family  
**Bm**  
 Watched my favourite shows on your TV  
**Em**  
 Made me breakfast in the morning  
**A**  
 When you got home from work  
**D**  
 Making plans to travel 'round the world  
**Bm**  
 Said we'd always put each other first  
**Em**  
 Old love songs we used to play to  
**A**  
 Funny now I hate you

**D** **Bm**  
 Now, I remember when you'd call me late at night  
**Em**  
 And I gave you my hours and advice  
 Just tryna fix you and all your daddy issues  
**A**  
 But now, I don't even miss you anymore  
**D** **Bm**  
 So I, I want all the tears back that I cried  
**Em**  
 All the hours spent giving advice on how to write your songs  
 All you did was prove me wrong  
**A**  
 When you said you loved me  
**D**  
 Well you must've had your fingers crossed  
**D**  
 Should've paid attention to my friends  
**Bm**  
 Telling me how bad it's gonna end  
**Em**  
 Always giving their opinions  
**A**  
 Now I wish I would have listened
