

Lauryn Hill - Everything Is Everything

Tom: **Ab**

Tabbing by Dannie Jensen, N

This is my second tabbing:

Abm

Dbm

Dbm

Abm

Start off in **Abm** by playing the violin bit, put some feeling in it and pretty soon after you can play this amazing piece of music using only those two chords. Fool around with and put some heart in it, but **Abm** is a good place to start.
