

Lauryn Hill - Lose Myself

Tom: A

A **D**
I used to do it for the love a long time ago
And all I ever wanted was love
I used to love without fear a long time ago
And all I ever wanted was love

Bm **E**
Then somebody came around and tried to hurt me
Tried to make me feel like I was unworthy
Took a pure love and tried to make it dirty
Truth was they never did deserve me
No!

(refrão)
D **Dbm** **Bm**
I had to lose myself so I could love you better
I had to lose myself, had to lose myself so I could
love you better
Had to lose myself, had to lose myself
So I could love you better

E
Had to lose myself in love
And that's just the way it is?

A **D**
Couldn't tell me I was love when I needed it
When, all I ever wanted was love.
Should a told me just me because!
I'm worth receiving it
But all I ever wanted was love

Bm **E**
There's is something awkward about the selflessness it
takes to
Give love and the good that it makes you!
True love can never really forsake you
But it took a little while just for me to see!

(refrão)
D **Dbm** **Bm**
I had to lose myself so I could love you better
I had to lose myself, had to lose myself so I could
love you better
Had to lose myself, had to lose myself
So I could love you better

E
Had to lose myself in love
And that's just the way it is?

Bm **E**
I had a paralyzing fear of facing failure
And I couldn't love you perfectly with fear in my head
So I peerlessly had to face the danger
So I could come back and love you whole instead

D **Dbm** **Bm**

All of your soul I said!
So I could make it better

(refrão)

I had to lose myself so I could love you better
I had to lose myself, had to lose myself so I could
love you better
Had to lose myself, had to lose myself
So I could love you better

E
Had to lose myself in love
And that's just the way it is?

Gbm **Bm**
And so it goes that I never meant to hurt you
Couldn't stay but I never meant to desert you
Whole lot a things I just had to work thru
Time to heal and restore myself worth too
Confrontation of my fears and anxiety
Cried a whole lot years I suffered quietly
And though it may have taken years I can finally!
Tell you that you were always on my mind!

(refrão)
D **Dbm** **Bm**
I had to lose myself so I could make it better
I had to lose myself, had to lose myself so I could
make it better
Had to lose myself, had to lose myself
So I could make it better

E
Had to lose myself in love
And that was just the way!

(ponte)
A **Dbm** **Bm** **E**
Takes strength to absorb all the abuse I did
Great love to absorb all the misuse I did
Hey baby it's not an excuse I give.
And I'd do it all again because for you I live

Takes strength to absorb all the abuse I did
Great love to absorb all the abuse I did
Hey baby it's not an excuse I give.
And I'd do it all again because for you I live

(refrão)
D **Dbm** **Bm**
I had to lose myself so I could make it better
I had to lose myself, had to lose myself so I could
make it better
Had to lose myself, had to lose myself
So I could make it better
Had to lose myself in love

E
And that was just the way!
And that was just the way it is?
