Yeah, yeah yeah, yeah yeah yey
 Why, why, why, why, why, why, why
 Why, Why, heh
 They've got so much things to say right now
 They've got so much things to say
 They've got so much things to say right now
 They've got so much things to say
 I'll never forget no way, how they crucified Jesus Christ
 I'll never forget no way, how they sold Marcus Garvey for rice
 I'll never forget no way, how they turned their back on Paul
 Bogle
 So don't you forget no way...
 Who you are, and where you stand in the struggle
 They've got so much things to say right now
 They've got so much things to say
 They've got so very many things, to say right now
 They've got so much things to say
 I'n'I nah come to fight flesh and blood
 But spiritual wickedness in high and low places
 And don't you fight me down
 I'll stand firm, and give Jah all the thanks and praises
 I don't expect to be justified, by these laws of men
 Though the we can find me guilty, Jah will proove my innocency

Ponte:

Cuz when the rain falls, it don't, fall on one man's house top
 Remember that
 See when this rain falls, it don't, fall on one man's house

They've got so much things to say right now
 They've got so much, so much things to say
 They've got, heh, so much things to say right now
 They've got so, so much things to say
 But let them keep talking, oh let them keep talking
 Cuz non of them walking, oh non of them walking, no
 And while they still talking, see I'ma be walking
 I'ma be walking, so let them keep talking
 Said I never forget no way, how they crucified Jesus Christ
 And I, I'll never forget, how they sold Marcus Garvey for rice
 Said I, never forget, how they turned their backs on Paul
 Bogle
 So non of you, non of you forget...
 Who you are, and where you stand in the struggle

Cuz when this rain, cuz when this rain, rain, rain, rain, rain, rain
 falls
 It don't fall on one man's house, I'm telling you the rain...
 I'm telling you the rain, rain, rain, rain, rain, rain don't fall
 It don't fall... they...

They've got, they've got, so many very things to say about me
 I'm telling you: lie
 They, and they, and they will have so many things
 They'll have so many things to say about you... to say about
 you
 Cuz they don't know me, know me
 They don't know me, oh they don't know me, oh they don't know
 me
 Oh they don't know me well
 They, they, they, they, they, they, they, they don't know my Father
 Cuz if they did, if they did... hey ey... theeey... heh..
