

LAUV - A Different Way

tom: ${\sf Fm}$ (forma dos acordes no tom de ${\sf Em}$) Capostraste na 1ª casa Could you believe I could be different? I'll be the difference, I'll lift you high And I understand your hesitation Our reputation, it's no surprise So let me redefine you And you can see the tide move Just like tears in the eyes do And when you're feeling alone Oh, baby, I'll be right here Between the sea and silence So breathe easy my dear You can find sunshine in the rain I will come running when you call my name $\,$ Even a broken heart can beat again Forget about the one who caused you pain I swear I'll love you in a different way (Em G C)

Acordes

I know the love, so unforgiving You've been a victim too many times And I'll be the thread, hold you together I'll be forever, will you be mine? So let me redefine you And you can see the tide move Just like tears in the eyes do And when you're feeling alone Oh, baby, I'll be right here Between the sea and silence So breathe easy my dear You can find sunshine in the rain I will come running when you call my name Even a broken heart can beat again Forget about the one who caused you pain I swear I'll love you in a different way Hey, hey, hey I swear I'll love you in a different way Hey, hey, hey I swear I'll love you in a different way
