D A
 Doubt, doubt, doubt
 E
 It kills everything that you love
 D A
 Now, now, now
 E
 I'm losing myself on the run

D
 And I flew to California
 A
 Thought I could leave
 E
 Every piece of you right here
 D
 Yeah I flew to California
 A
 Still wide awake
 E
 Oh the sun burned it on clear

D A E
 How I still love you
 D A E
 I still love you
 D A
 But sometimes you have to go
 E
 Trade your heart for bones
 D A
 To know you need to come back home
 E
 Come back home

D A
 Paint-chipped skies

 And I flew to California

 Thought I could leave

 Every piece of you right here
