**B**

**B**  
Sweet dreams and the best for you

**E**  
I'm done gettin' stressed for you

**B** **E**  
I wash my hair?up?in the shower

**B**  
But something still remains

**E**  
A feeling that's so?strange

**B** **E**  
And now I can't stop

**B**  
The dishes in the kitchen

**E**  
The dancin'?in the rain

**B**  
The singin' in the shower

**E**  
Yeah, that's stuck in the drain

**B**  
A party on the weekend

**E**  
And everyone is here

**B** **E**  
But it feels so weird, without you

**B**  
The dishes in the kitchen Hmm, hmm, yeah

**E**  
The dancin' in the rain Oh

**B**

I wonder if the stars align if it would

Still be you and me

I wanna say that I'm alright

The truth is that I'm so sad

**B** **E**  
I crashed the car the other night

Inside the strangest dream I had

**B** **E**  
No wonder what it means

No wonder what it means

**B**  
The dishes in the kitchen Hmm, hmm, yeah

**E**  
The dancin' in the rain Oh

**B**  
The singin' in the shower Hmm, hmm, yeah

**E**  
Yeah, that's stuck in the drain Oh, oh

**B**  
A party on the weekend Ooh

**E**  
And everyone is here Oh, oh

**B** **E**  
But it feels so weird, without you

**B** **E**  
Without you, without you

**B** **E**  
Without you, without you

**B** **E**  
Without you, without you

**B**  
The dishes in the kitchen

**E**  
The dancin' in the rain
