

# LAUV - Enemies

tom:  
 Ab (forma dos acordes no tom de F )  
 Capostrate na 3ª casa

I thought we said we're good  
 Was I misunderstood?  
 You lookin' at me so cold  
 After all that we've been through  
 How could you pretend?  
 I'm someone that you don't know  
 I'm so sick of planning all my nights, nights  
 'round avoiding you it's gotta end  
 We don't have to love again or try, try  
 But can you tell me

Ooh why do we  
 We have to be  
 Enemies, enemies?  
 Forget all the scars  
 All that they are  
 Memories, memories  
 I know it hurts cause I feel it too  
 But after all, all that we been through, yeah  
 Ooh why do we  
 We have to be, enemies, enemies?

You see me walking towards  
 You're headed for the door  
 Why is your shoulder so cold?  
 I know it's hard to speak  
 With all our history  
 But that don't mean you should go  
 I'm so sick of planning all my nights, nights

'round avoiding you it's gotta end  
 We don't have to love again or try, try  
 But can you tell me  
 Ooh why do we  
 We have to be  
 Enemies, enemies?  
 Forget all the scars  
 All that they are  
 Memories, memories  
 I know it hurts cause I feel it too  
 But after all, all that we been through, yeah  
 Ooh why do we  
 We have to be, enemies, enemies?

Oh tell me why did, why did we  
 Throw away the love we had?  
 And tell me why do, why do we  
 Love to make it hurt so bad  
 Yeah I know that we can't be friends  
 But after all the things we been  
 Ooh why do we, we have to be  
 Enemies?

Ooh why do we  
 We have to be  
 Enemies, enemies?  
 Forget all the scars  
 All that they are  
 Memories, memories  
 I know it hurts cause I feel it too  
 But after all, all that we been through, yeah  
 Ooh why do we  
 We have to be, enemies, enemies?
