

LAUV - I Like Me Better

```
Tom: A
(com acordes na forma de G )
Capostraste na 2ª casa
To be young and in love in New York City
To not know who I am but still know that I'm good long as
you're here with me
To be drunk and in love in New York City
             Em7
Midnight into morning coffee
Burning through the hours talking
                   D
I like me better when I'm with you
                  D
I like me better when I'm with you
                      D
I knew from the first time, I'd stay for a long time cause
         D C
I like me better when
I like me better when I'm with you
I don't know what it is but I got that feeling
Waking up in this bed next to you swear the room
Yeah it got no ceiling
If we lay, let the day just pass us by Em7 D
I might get to too much talking
```

```
I might have to tell you something
I like me better when I'm with you
                   D
I like me better when I'm with you
I knew from the first time, I'd stay for a long time cause
           D C
I like me better when
I like me better when I'm with you
Stay awhile stay awhile
Stay here with me
Stay awhile stay awhile, oh
Stay awhile stay awhile
Stay here with me
Em7
Lay here with me
I like me better when I'm with you
(yes I do, yes I do, babe)
I like me better when I'm with you
(oooh noooooo)
G D C
I knew from the first time, I'd stay for a long time cause
             D C
I like me better when
I like me better when I'm with you
