 I'm so tired of love songs, tired of love songs
 Tired of love songs, tired of love
 Just wanna go home, wanna go home
 Wanna go home, whoa

 Tired of love songs, tired of love
 Just wanna go home, wanna go home
 Wanna go home, whoa

[Primeira Parte]

A E
 Party, trying my best to meet somebody
 But everybody around me is falling in love to our song
 I, I, oh I, I, yeah
 A E
 Hate it, taking a shot 'cause I can't take it
 But I don't think that they make anything that strong, so I
 hold on
 I, I, oh I, I, yeah

[Refrão]

[Segunda Parte]

A E
 Strangers, killing my lonely nights with strangers
 And when they leave, I go back to our song, I hold on
 I, I, oh I
 Hurts like heaven, lost in the sound
 Buzz cut season like you're still around
 Can't unmiss you and I need you now
 Yeah, I, I, oh I, yeah
