Em D  
Do you still remember  
G C Em  
The way that we felt when we were kids?  
D G C  
Wonder if that place?still?exists, mmm  
Em D  
We lived?for the moment  
G C Em  
And fear was a?stranger to our lips  
D G C  
Wonder if that place still exists

[Pré-Refrão]

Em D  
Yeah, we built castles out of couches  
G C  
Felt fire without matches  
Em D G C  
Made promises without fear of gettin' burned  
Em D  
Now we're always second-guessing  
G C  
We think happy is expensive  
Em D G C  
But every time I'm with you, I relearn

[Refrão]

Em D G C  
It's the invisible things that I, that I love the most  
Em D G C  
It's the way that I feel when I, when I hold you close  
Em D G C  
'Cause everything else, oh, it comes and goes  
Em D G  
It's the invisible things that I, that I love the most  
C Em D G  
So, let me hold you close  
C Em D G  
So, let me hold you close  
C  
(Oh, yeah)

[Ponte]

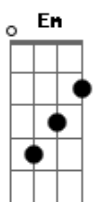

Em D G C  
Way I feel and the way we kiss  
Em D G C  
Swear that nothing else in the world exists (shhh)

[Refrão]

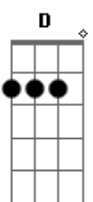

Em D  
It's the invisible things that I, that I love the most  
G C  
(I love the most, I love you)  
Em D  
It's the way that I feel when I, when I hold you close  
G C  
(I hold you close, I hold you)  
Em D G C  
'Cause everything I lose, oh, it comes and goes  
Em D  
It's the invisible things that I, that I love the most  
G C  
So, let me hold you close

Em D G C  
Way I feel from the way we kiss  
Em D G C  
Swear that nothing else in the world exists (all you need is  
someone, all you need is someone)  
Em D G C  
Cross my heart if we both forget  
Em D G C  
Someday, we'll both look back and remember this (all you need  
is someone, all you need is someone)
