

LAUV - Julia

tom:

B

E **Abm**
When we met, I wasn't me

B **Gb**
I was so numb, yeah, I was so lonely

E **Abm**
Out on the run, I wasn't free

B **Gb** **Ebm**
And you came along, but you couldn't save me

E
My hesitation and holdin' my breath

Abm **B**
I let you into the garden of my loneliness

Gb
Wished that you left before it all burned down

E
Oh, Julia

Abm
I'm sorry what I do to ya

B
I push and pull and mess with your head

Gb
Then get in your bed 'cause I'm weak deep down

Oh, Julia

I wish I never lied to ya
I never meant to hurt you like that
And if I could go back, I'd leave you alone
When I left, I wasn't sure
That I could love, love anymore
But my hesitation and holdin' my breath
I let you into the garden of my loneliness
Wished that you left before it all burned down
Oh, Julia
I'm sorry what I do to ya
I push and pull and mess with your head
Then get in your bed 'cause I'm weak deep down
Oh, Julia
I wish I never lied to ya
I never meant to hurt you like that
And if I could go back, I'd leave you alone
I won't lie to you no more
I won't lie to you no more
'Cause I know I did before
Hope you find what you're looking for
