

# LAUV - Never Not

Tom: C

apotraste na 3ª casa

We were so beautiful  
 We were so tragic  
 No other magic could ever compare  
 Lost myself, seventeen  
 Then you came found me  
 No other magic could ever compare

[Pré refrão]

There's a room  
 In my heart with the memories we made  
 Took em down but they're still in their frames  
 There's no way I could ever forget  
 Mmm

[Refrão]

For as long as I live and as long as I love  
 I will never not think about you, you, hmm  
 I will never not think about you  
 From the moment I left, I knew you were the one  
 And no matter whatever I do, ooh, hmm  
 I will never not think about you  
 What we had only comes  
 Once in a lifetime  
 For the rest of mine, I'll always compare

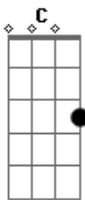

[Pré refrão]

To the room  
 In my heart with the memories we made  
 Nights on 5th, in between  
 There's no way I could ever forget, hmm

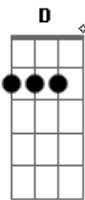

[Refrão]

For as long as I live and as long as I love  
 I will never not think about you, you, hmm  
 I will never not think about you  
 From the moment I left, I knew you were the one  
 And no matter whatever I do, ooh, hmm  
 I will never not think about you  
 Didn't we have fun?  
 Didn't we have fun, looking back?  
 Didn't we have fun?  
 Didn't we have fun?  
 Didn't we have fun?  
 Didn't we have fun?  
 Didn't we have fun, looking back?  
 Didn't we have fun?  
 Didn't we have fun?  
 Didn't we have fun?  
 We were so beautiful  
 We were so tragic  
 No other magic could ever compare  
 ( D )
