

LAUV - Paris In The Rain

Tom: G

All I know is (ooh ooh ooh)

We could go anywhere we could do

Anything girl whatever the mood we're in

All I know is (ooh ooh ooh)

Getting lost late at night under stars

Finding love standing right where we are your lips

They pull me in the moment

You and I alone and

People may be watching I don't mind 'cause

Anywhere with you feels right

Anywhere with you feels like

Paris in the rain

Paris in the rain

We don't need a fancy town

Or bottles that we can't pronounce

Cause anywhere babe

Is like Paris in the rain

When I'm with you

When I'm with you

Paris in the rain

Paris in the rain

I look at you now and I want this forever

I might not deserve it but there's nothing better

Don't know how I ever did it all without you

My heart is about to about to jump out of my chest

Feelings they come and they go that they do

Feelings they come and they go not with you

The late nights

And the street lights

And the people

Look at me girl

And the whole world could stop

Anywhere with you feels right

Anywhere with you feels like

Paris in the rain

Paris in the rain

We don't need a fancy town

Or bottles that we can't pronounce

Cause anywhere babe

Is like Paris in the rain

When I'm with you

When I'm with you

Paris in the rain

Paris in the rain

(Fm7 Bm7)

Girl when I'm not with you

All I do is miss you

(Fm7 Bm7)

Come and set the mood right

Underneath the moonlight

(Days in Paris

Nights in Paris)

Paint you with my eyes closed

Wonder where the time goes

(Yeah, Isn't it obvious

Isn't it obvious)

Come and set the mood right

Underneath the moonlight

Anywhere with you feel right

Anywhere with you feels like

Paris in the rain

Paris in the rain

Walking down an empty street

Puddles underneath our feet

Acordes
