LAUV - Sims

tom:

```
                G
            G                A             D
I wish that you and I lived in the Sims
G               A                    D          Bm
We could build a house and plant some flowers and have kids
    G           A              D               Bm
But we're both at some trashy Halloween party downtown
         G            A       D
And I'll probably never see you again
  G                 A      D
I wish that we lived on a VHS
    G                 A                   D           Bm
I'd erase the things I said and that I'll probably say again
 G            A                  D          Bm
Hit rewind on all the times I got lost in my head
      G               A       Bm
But I guess I'll never see you again
      G                    D
I'll probably never see you again

G       A
Oh, goddamn
  Gbm                    Bm            A
I wish we would've met on another night, baby
G      A
Maybe, then
Gbm                Bm
I wouldn't let you leave me
      G      A
Yeah, oh, goddamn
 Bm                                     A
I wish we would've met on another night, baby
G
In another life, baby
Bm
In another life

D
I wouldn't have let you
Bm                      G  A
I wouldn't have let you
D
I wouldn't have let you
Bm
I wouldn't have let

  G               A                 D
I wish that we met walkin' round the Moma
G                              A               D       Bm
And I'd say nice to meet you, 'stead of saying nice to know
you
G          A                     D             Bm
I try to impress you with some bullshit 'bout Monet
    G               A               Bm
At least I wouldn't be too drunk to stay

And I wouldn't have let you slip away

G       A
Oh, goddamn
  Gbm                    Bm             A
I wish we would've met on another night, baby
G      A
Maybe, then
Gbm                Bm
I wouldn't let you leave me
      G      A
Yeah, oh, goddamn
 Bm                                     A
I wish we would've met on another night, baby
G
In another life, baby
Bm
In another life
D
I wouldn't have let you
Bm                        G  A
I wouldn't have let you
D
I wouldn't have let you
Bm                    G  A
I wouldn't have let
D
I wouldn't have let you
Bm                        G  A
I wouldn't have let you
D
I wouldn't have let you
Bm                    G  A
I wouldn't have let

D
I wouldn't have let you
Bm                      G  A
I wouldn't have let you

I wouldn't have let you

I wouldn't have let you leave me
```
