

## **Layup - Who You Share It With**

```
tom:
       C
Times and places
  C F G
Are all in who you share 'em with
And it's life, and the point is
C F G C
Enjoyin' who you share it with
Joy is who you share it with
And the weeks and the weekends

C F G C

Are keepin' close who you spend it with
C F C
And in time, what you find is \mathsf{C} \mathsf{F}
That time is who you spend it with F G F
Joy is who you share it with
Ooh, ooh
Ooh, ooh
Who you share it with
```

## **Acordes**
