

LCD Soundsystem - You Wanted a Hit

tom:

Intro: C Am Em

You wanted a hit
 Am But maybe we don't do hits
 C I try and try
 Am It ends up feeling kind of wrong

You wanted it tough
 Am But is it ever tough enough?
 C No, nothing's ever tough enough
 Am Until we hit the road

Yeah, you wanted it lush
 Am But honestly, you must hush
 C No, honestly, you know too much
 Am So leave us, leave us on our own

And so you wanted a hit
 Am Well this is how we do hits

You wanted a hit
 Am But that's not what we do

You wanted it real
 Am But can you tell me what's real?
 C There's lights and sounds and stories
 Em Music's just a part

Yeah, you wanted the truth
 Am And then you said you want proof
 C I guess you're used to liars
 Em Saying what they want

And we won't be your babies anymore
 Em We won't be your babies anymore
 C We won't be your babies 'til you take us home

No, we won't be your babies anymore
 Em We won't be your babies anymore
 C We can't be your babies 'til you take us home

Yeah you wanted it smart
 Am But honestly, I'm not smart
 C No, honestly, we're never smart
 Am We fake it, fake it all the time

Yeah you wanted the time
 Am But maybe I can't do time
 C Oh we both know that's an awful line
 Am But it doesn't make it wrong

You wanted it right
 Am No out of mind and out of sight
 C No dirty bus and early flight
 Am No seven days and forty nights

Yeah you wanted a hit
 Am But tell me, where's the point in it?

You wanted a hit
 Am But that's not what we do

And we won't be your babies anymore
 Em We won't be your babies anymore
 C We won't be your babies 'til you take us home
 C No, we won't be your babies anymore
 Em We won't be your babies anymore
 C We can't be your babies 'til you take us home

And we won't be your babies anymore
 Em We won't be your babies anymore
 C We won't be your babies 'til you take us home
 C No, we won't be your babies anymore
 Em We won't be your babies anymore
 C We can't be your babies 'til you take us home
