

# League Of Legends - Get Jinxed

Tom: D  
Intro: N.C.  
Blah blah blablah.

[Verse 1]  
**Bbm Dbm Bbm Gbm Em**  
 Wanna join me, come and play.  
**Bbm Dbm Bbm Gbm Em**  
 But I might shoot you, in your face.  
**Bbm Dbm Bbm Gbm Em**  
 Bombs and bullets will, do the trick.  
**Bbm Dbm Bbm Gbm Em**  
 What we need here, is a little bit of panic!

**Bbm Dbm**  
 Do you ever wanna catch me?  
**Bbm Gbm Em**  
 Right now I'm feeling ignored!  
**Bbm Dbm**  
 So can you try a little harder?  
**Bbm Gbm Em**  
 I'm really getting bored!

[Chorus]  
**Em**  
 Come on, shoot faster,  
**A Bb**  
 Just a little bit of energy!  
**Em**  
 I wanna try something fun right now,  
**A D**  
 I guess some people call it anarchy!  
**Em**  
 Let's blow this city to ashes,  
**A Bb**  
 And see what Pow-Pow thinks.

**Em**  
 It's such pathetic neatness,  
**A D N.C.**  
 But not for long 'cause it'll get jinxed!

[Verse 2]  
**Bbm Dbm Bbm Gbm Em**  
 So much better, so much fun.  
**Bbm Dbm Bbm Gbm Em**  
 Let's start from scratch and, blow up the sun!

[Chorus]  
**Em**  
 Come on, shoot faster,  
**A Bb**  
 Just a little bit of energy!  
**Em**  
 I wanna try something fun right now,  
**A D**  
 I guess some people call it anarchy!  
**Em**  
 Let's blow this city to ashes,  
**A Bb**  
 And see what Pow-Pow thinks.  
**Em**  
 It's such pathetic neatness,  
**A D N.C.**  
 But not for long 'cause it'll get jinxed!

[End]  
**A D**  
 Come on!  
**A D**  
 Come on!  
**Em**  
 And get jinxed!
