

# League Of Legends - Phoenix

Tom: Gb

(forma dos acordes no tom de G )

Afinação: Eb Ab Db Gb Bb Eb

Intro: Bm A Em Gbm

What are you willing to lose?  
 You cover your wounds, but underneath them  
 A million voices in your head that whisper, "Stop, now"  
 Another twist of the knife, turn of the screws  
 It's all in your mind and it's fighting you  
 Arm yourself, a storm is coming  
 Well, kid  
 What you gonna do now?  
 It's your reflection looking back to pull you down

[Refrão]

So are you gonna die today or make it out alive?  
 You gotta conquer the monster in your head and then you'll fly  
 Fly, Phoenix, fly  
 It's time for a new empire  
 Go bury your demons then tear down the ceiling  
 Phoenix, fly

And now you're playing with matches, come out of the ashes  
 Underneath you, a million voices in the crowd they're screaming

"Stop, now"  
 Well let 'em swallow their pride, you're turning the tide to true believers  
 Got them in the palm of your hand, you're playing God now  
 What you gonna do now?  
 It's your reflection looking back to pull you down

[Refrão]  
 So are you gonna die today or make it out alive?  
 You gotta conquer the monster in your head and then you'll fly  
 Fly, Phoenix, fly  
 It's time for a new empire  
 Go bury your demons then tear down the ceiling  
 Phoenix, fly
