

Leal Melo - Standing Here

They see me step outside
Bb
They tell me I'm out of line
F
They don't know
A
Where I am coming from
Dm
They judge my ways
Bb
But I can see it in their eyes, so cold
A
They stare, they sware, but I don't care
Dm
Bb
Cause I got wings to fly

Acordes

And take me high into the clouds

Dm

To see your light
Bb

That shines so bright
F

Into my soul
A
Into my life
Dm
Bb

Lord, I'm standing here
F

With you so near
A

To lead my way
Dm
Bb

Lord, when you are near
F
I have no fear
A
To you I pray
