

Leandro Braz - Volto Pra Casa

Tom: C
Intro: (G Em F D)
(G Em F C)

Quanto tempo eu perdi, quantas coisas eu fiz
longe de ti e só me machuquei.
O tempo passou e hoje estou aqui,
muito arrependido com o coração contrito
preciso de ti.

Volto pra casa do meu Senhor,
sei que não sou digno do seu amor
por onde eu andei
amor eu mendiguei só pensando em mim.
Volto pra casa do meu Senhor,
sei que não sou digno do seu amor
por onde eu andei
amor eu mendiguei só pensando em mim.
