

Leandro & Leonardo - Lágrimas do Coração

Tom: C

(intro 2x) C Em F G

Hoje eu acordei tão triste de manhã
 Duas lágrimas caíram do meu coração
 Pois a noite inteira, sonhei com você
 Oh, que sonho bom de amor, que noite linda
 Neste abandono fiquei a olhar
 Nossas coisas desprezadas no mesmo lugar

Este desencanto parece dizer:

Pra você voltar e muito nos querer

(refrão)

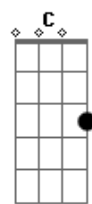

Vem, mata essa saudade, traz felicidade
 Me ajude a vivee...eer.

Vem, mata essa vontade, faz realidade
 Este sonho meu.

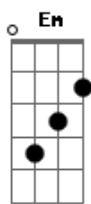

(F Em Dm C Bb Am G B C)
